调虎离山

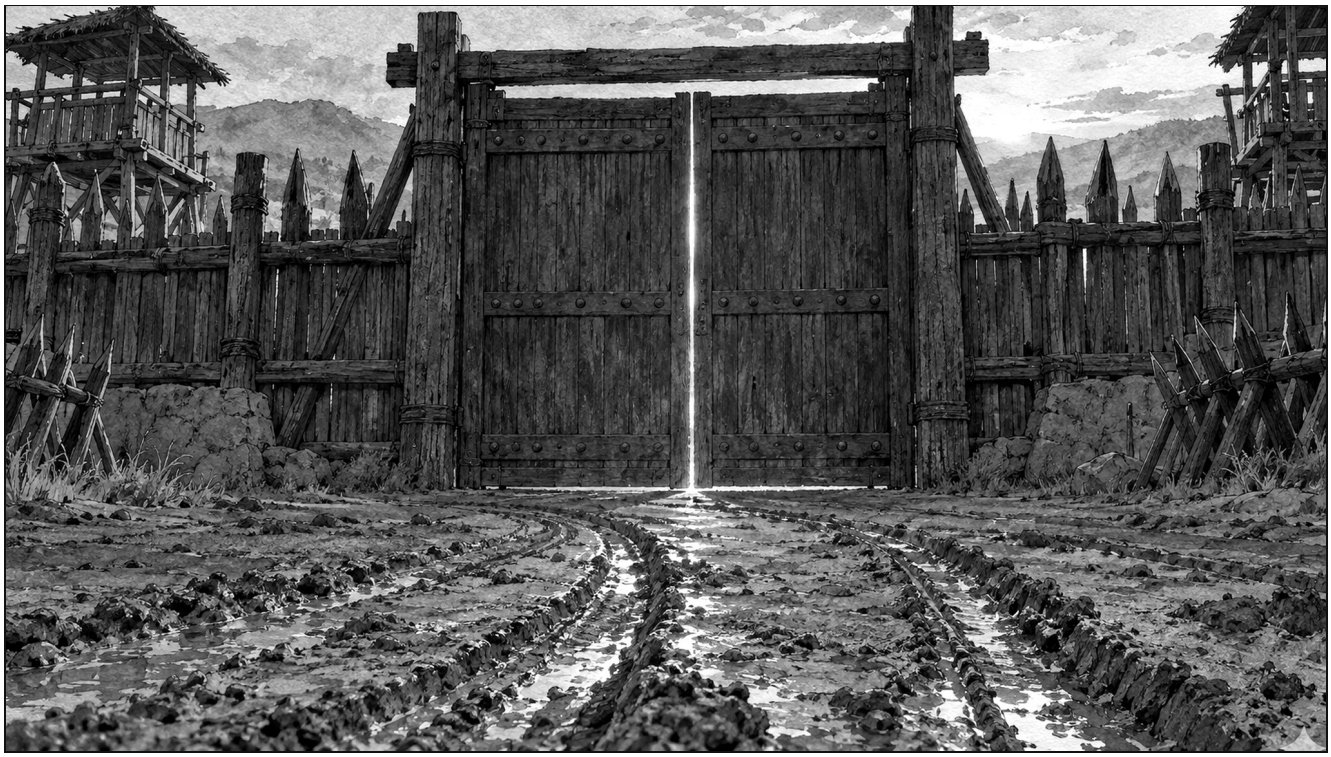

Lure the tiger away from the mountain.

Monday morning your boss calls you in: a new project, big and public, his idea, and he wants you to lead it. Everyone calls it a promotion. Three months later the project is cancelled, and someone else sits at your desk. Nobody did anything wrong. In 199 AD a general emptied a city the same way, without a single siege — he just made the man in it want to leave. This week you'll learn to write four characters: 调, 虎, 离, 山.

Stratagem No. 15 of 36 · one story, one lesson, four characters.

本周学：调虎离山 · 练字：调、虎、离、山

THE GOVERNOR WHO TOOK EVERYTHING

The camp gate closed on the treasure he had just taken.

In 199 AD, the old warlord died. His officers took his troops and treasure west, to join the young man winning.

At the edge of Lujiang they were stopped. The governor there, Liu Xun, took the troops, the treasure, and everything they carried.

He did not fight anyone. He just arrived first.

Sun Ce heard. He had an army. He did not use it. He sent a message instead: let us be allies.

THE EMPTY MOUNTAIN

The city gate opened from the inside, and the guard lamps went out one by one.

In Lujiang, the new troops had to be fed. The governor of Lujiang had stores, and now twice the mouths.

The answer came back: the families at Shangliao owe us thirty thousand bushels. Go and collect.

He came back with a few thousand bushels, and one sentence: rich families, no guards. Then the young general said the same thing, in his own voice: Shangliao is worth taking. Go yourself.

The governor of Lujiang took his main force and went.

The young general split his army. Eight thousand men waited on the road home, under his cousins. Wan was taken the same night.

He came back with nothing, to a city with someone else's flag on it. The mountain was empty because the tiger walked out of it.

WHY IT WORKED

Step	Who vs who	中文 · pinyin	Result
First	wait for bad weather	天 tiān	Wait until the sky is against him
Second	use people to pull him	诱 yòu	Use people to move him
Third	the road back	连 lián	Come back and tie him

等到天时对他不利，再用人事把他引出来；前面难走，就往回收、把他牵住。 调虎离山 diào hǔ lí shān

SPOT IT · STOP IT 识破 · 防住

Back to that Monday morning. Nothing he told you was a lie. He moved you, and the chair you left filled itself. That is the whole move: not a trick, a change of address.

调走 *Move him: he walks out himself*	**推开** *Push him: you both end up in the open*
tā zì jǐ zǒu chū qù 他 自 己 走 出 去 *He walks out himself*	dōu zhàn dào míng chù 都 站 到 明 处 *Both out in the open*
yǐ wéi shì tā zì jǐ de zhǔ yi 以 为 是 他 自 己 的 主 意 *And thinks it was his idea*	shéi dōu kàn de jiàn 谁 都 看 得 见 *Everyone sees*
ān jìng de 安 静 的 *Quiet*	dǎ jià 打 架 *A fight*

Two ways to empty a chair. Move him: he walks out himself, and thinks it was his idea. Push him: you both end up in the open, and everyone sees. The first one is quiet. The second one is a fight.

想让一把椅子空出来，只有两条路。让他走：他自己走出去，还以为那是他的主意。推开他：你们俩都站到明处，谁都看得见。第一条是安静的，第二条是打架。
